

PRIVACY POLICY

Effective on 2018-03-19.

This privacy statement describes how Aleksandr Kobozev ("Camly", "we", "us" and/or "our") collects and uses the personal information you provide, how we and some of the companies we work with collect, use, share and protect information in relation to our mobile services, web site (the "Site", "Website", "App"), and any software provided on or in connection with Camly services (collectively, the "Service") to our users ("you", "your") and your choices about the collection and use of your information, including personally identifiable data ("Personal Data").

Location Services.

Some services on this site make use of location-based data. If you allow these services, we will collect information about the Wi-fi routers closest to you and the cell IDs of the towers closest to you.

We use this information to provide the requested location-based service, not to identify you. You will be asked for your permission each time a location-based service is requested.

- Provide you content based upon your location.
- Check you in to a store or other location to enable you to earn loyalty rewards or let others know where you are.
- Provide you special local offers.

Collection and Use.

We collect the following personal information from you:

- Preferences Information you provide such as product or content interests, or communication or marketing preferences.
- Usage activity about how you interact with us such as purchase history, what content you viewed, and which areas of our App you visited.
- Device Information.

We also collect the following information from you:

- Demographic information such as household income, age, education, gender, interests, and zip code.
- Information about your mobile device such as your mobile device id (similar to a website IP address), device type, and mobile service carrier.

As is true of most Web sites, we automatically gather information about your computer such as your IP address, browser type, referring/exit pages, and operating system.

We use this information to:

- Fulfill your order.
- Assess your needs to determine suitable products or services.
- Respond to customer service requests.
- Send you push notifications when you are using our app. If you do not want these notifications, you can manage your preference either through your device or app settings depending on your device type. You can also contact us at support@camlyapp.com.
- Send you marketing communications.
- Improve our App and marketing efforts.
- Conduct research and analysis.
- Respond to your questions and concerns.
- Display content based upon your interests.

Sharing Your Information.

We will share your information with third parties only in the ways that are described in this privacy statement.

We may provide your personal information to companies that provide services to help us with our business activities such as shipping your order or offering customer service. These third parties are authorized to use your personal information only as necessary to provide these services to us.

We may disclose your personal information

- as required by law, such as to comply with a subpoena, or similar legal process.
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request.
- if Camly is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via prominent notice on our Web site of any change in ownership or uses of your personal information, as well as any choices you may have regarding your personal information.

- to any other third party with your prior consent to do so.

We make your personal information available to other companies so that they can market their products or services to you. If you do not want us to make your personal information available to these companies, contact us at support@camlyapp.com.

Tracking and Ads.

We partner with a third party ad network to either display advertising on our App or to manage our advertising on other sites. Our ad network partner uses technologies to collect non-personally identifiable information about your activities on this and other Apps to provide you targeted advertising based upon your interests.

Security.

The security of your personal information is important to us.

We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission, or method of electronic storage, is 100% secure. Therefore, we cannot guarantee its absolute security.

If you have any questions about security on our App, you can contact us at support@camlyapp.com
